(I) Denotes increase

Note 1 - This tariff applies only when unit (s)/cabooses is/are in regular train service.

Note 2 - Shipper shall be responsible for inspection or repairs to insure safe conditions for movement without special handling. Shipper will pay WE a rate of \$120 per hour for a WE inspection if inspection is deemed necessary. An additional charge of \$60 per hour will be assessed if a rider is required.

Note 3 – When charges published herein are used to construct a proportional rate, revenue occurring from such rates will accrue solely to WE, and any switching charges will be in addition to the rate.

Note 4 – Maximum value for claim purposes for each unit shall be equal to the freight charges.

Note 5 - For mileage, see Tariff WE 6300 Series.

(1) Moved on own wheels, but not under own power.

(2) The charge for idler cars (if required) shall be one-half (1/2) the base rate.
