If Power total # of Circuits:

Angle of Wireline Crossing
the track:

Degrees:

Number of Conductors:

Amount of Voltage:

SECTION 4 – CROSSING DATA

Total Aerial Length within
RR ROW

Number of Tracks Crossed:

Angle of Wire Line
Crossing Track:

Number of Poles to be
Installed within RR ROW:

Type of Wire Supports:

Height of Wires about top
of rail at 60 deg F:

Sag in Spans at 60 deg F:

Distance from butt of pole
to nearest rail of track:

Describe in detail the
manner and method of
installation:

SECTION 5 – LONGITUDINAL DATA

Total Aerial Distance on
Railroad Right of Way:

Distance of Wire Line
Parallel to Nearest Rail:

Begin of Longitudinal
Railroad Milepost:

End of Longitudinal
Railroad Milepost:

Describe in detail the
manner and method of
installation:

Plans for proposed installation shall be submitted to and approved by the Railroad before construction or work can begin.

Upon application approval, applicant agrees to reimburse Railroad for any cost incurred by Railroad incident to the installation, maintenance and/or supervision necessitated by the installation. Applicant further agrees to assume all liability for accidents or injuries that arise as a result of this installation.

Material and installation are to be in strict accordance with specifications of the American Railway Engineering Association, National Electric Safety Code and requirements of the Wheeling and Lake Erie Railway Company.

Please allow up to 30 business days for processing from the date of receipt of the completed application. "Expedited Processing" is available and will reduce the processing time at an additional cost listed below. If expedited processing is required then put "EXPEDITED" before Director of Real Estate in the address line.

Schedule of Fees Due with Application (non-refundable):

Application Review Fee	\$300
Engineering Review Fee	\$750
Expedited Processing Fee (Optional)	\$1,375

If installing more than one facility in the same location, a separate application MUST be completed for each new line to be installed.

Applications submitted with more than one facility listed or with incomplete data or information will be returned and will not be processed until all applications are returned accurate, complete and with all applicable fees.
