Outside Diameter	_____	_____
Wall Thickness	_____	_____
Type of Seam	_____	_____
Laying Lengths	_____	_____
Type of Joints	_____	_____
Total Length within RR ROW	_____	_____

	Number	Size	Height above ground
Vents:	_____	_____	_____

Seals:	Both Ends?	<input type="checkbox"/> YES	<input type="checkbox"/> NO
	One End?	<input type="checkbox"/> YES	<input type="checkbox"/> NO

Cathode Protection:	<input type="checkbox"/> YES	<input type="checkbox"/> NO
Protective Coating:	<input type="checkbox"/> YES	<input type="checkbox"/> NO

Type, size and spacing of insulators or supports: _____

Number of Tracks Crossed: _____

Total Buried Length on RR: _____

Bury (Base of rail to top of casing) ft., in: _____

Bury (Not beneath tracks) ft., in: _____

Bury (roadway ditches) ft.,in: _____

Location of Boring Pits adjacent to track:

Launching Pit:

Receiving Pit:

Describe in detail the manner and method of Installation:

SECTION 5 - LONGITUDINAL DATA

Total Buried Length on Railroad Right of Way:

Begin of Longitudinal (Lat. & Long.):

End of Longitudinal (Lat. & Long.):

Describe in detail the manner and method of installation:

Plans for proposed installation shall be submitted to and approved by the Railroad before construction or work can begin.

Upon application approval, applicant agrees to reimburse Railroad for any cost incurred by Railroad incident to the installation, maintenance and/or supervision necessitated by the installation. Applicant further agrees to assume all liability for accidents or injuries that arise as a result of this installation.

Material and installation are to be in strict accordance with specifications of the American Railway Engineering Association, National Electric Safety Code and requirements of the Wheeling and Lake Erie Railway Company.

Please allow up to 30 business days for processing from the date of receipt of the completed application. "Expedited Processing" is available and will reduce the processing time at an additional cost listed below. If expedited processing is required then put "EXPEDITED" before Director of Real Estate in the address line.

Schedule of Fees Due with Application (non-refundable):

Application Review Fee	\$300
Engineering Review Fee	\$750
Expedited Processing Fee (Optional)	\$1,375 (Additional)

Be sure to confirm the correct railroad when submitting payment. Checks should be remitted to Wheeling & Lake Erie Railway Company or Akron Barberton Cluster Railway Company where appropriate.

If installing more than one facility in the same location, a separate application MUST be completed for each new line to be installed.

Applications submitted with more than one facility listed or with incomplete data or information will be returned and will not be processed until all applications are returned accurate, complete and with all applicable fees.
